

BENJAMIN YELLOWITZ

Hailing from the **industrial** city of Birmingham, Benjamin Yellowitz lives beneath his self-built studio in a **warehouse** in London with several other artists and a worn out cat.

‘No ordinary singer/songwriter and... is as far from milquetoast indie-folk as you can possibly get.’
FAME MAGAZINE

Yellowitz is no stranger to the stage - singing with honesty upheld by his captivating stage presence and energetic guitar-percussion. A talented multi-instrumentalist, Yellowitz somehow fuses folk with warm electronica to create a rich feeling that fills the room.

‘Compelling, emotive and energetic’.

A skilled producer, Yellowitz masterfully blends authentic acoustic sounds with his signature electronic production style, creating powerful sonic worlds in various projects including *Of Ghosts And Other Forms*, collaborations with *Nuage* and fellow queer artists like *DYVR*, as well as live theatre shows with *The New Shadow Cabinet*.

‘Benjamin Yellowitz’ dark and soulful sound is sure to make a big impression’
CIRCUIT SWEET

After spending a large part of the last few years touring the UK and Europe, Benjamin releases his debut full-length album ‘Reveal’ in January 2019.

Reveal is an album of honesty, of imagination and of the night
